- Data visualization (IPython Notebook, Adobe Illustrator, Power Point, FIJI, Igor Pro)
- Oral and written presentations (extensive experience with Microsoft Office), public speaking
- Object-oriented and functional programming (exposure to C, C++, Java, Visual Basic, MATLAB, Python, Julia, R)
- Comfortable working in Windows and Linux environments
- Analytical problem solving, experimental design, technical troubleshooting
- Scientific literature search and bibliography preparation using Mendeley and Zotero
- Established track record in completing large-scale projects on schedule, use of GitHub
- Can speak and write freely in Russian as well as in English, experience with translations

Education

- B.S. Computer Information Systems. 2001–2005. Tulane University. GPA: 3.9
- B.S. Neuroscience. 2001–2005. Tulane University. GPA: 3.8
- Ph.D. Neuroscience. 2005–2013. Brandeis University. GPA: 3.8

Relevant work experience

University of Texas, San Antonio: post-doctoral researcher

- June 2014 present
- · Visualized/presented data using Matlab, Python, Illustrator, Power Point
- · Wrote scripts for electrophysiology data analysis using Matlab and Python
- · Research paper in preparation
- Brandeis University: post-doctoral researcher

Aug 2013 – June 2014

- · Wrote scripts and analyzed data using Matlab and Igor Pro
- · Acquired and visualized electrophysiology data using Igor Pro
- · Several research papers in various stages of submission/revision
- Brandeis University: Ph.D. candidate

Aug 2005 – Aug 2013

- · Collected, analyzed, and presented electrophysiology data
- \cdot Analyzed confocal images of fluorescent neurons using FIJI and Matlab
- · Used Zotero and Mendeley for bibliography preparation
- · Lectured: Principles of Neuroscience, General Biology Lab
- Tulane University: B.S. student, undergraduate independent researcher

Aug 2001 – June 2005

- · IT assistant (Howard-Tilton Memorial Library)
- · Tutor of Calculus, Statistics, Biology, Russian, Neuroscience
- · Worked in multiple laboratories as an undergraduate researcher

Awards and honors

- Jack Kent Cooke Foundation Undergraduate Scholar, 2003–2005
- Putnam Cultural Enrichment Program Grant, Tulane University, New Orleans, LA, 2004
- Honors College, Tulane University, New Orleans, LA, 2002–2005
- Dean's List, Tulane College, New Orleans, LA
- Valedictorian Scholarship, Tulane University, New Orleans, LA, 2001
- Founders Scholarship, Tulane University, New Orleans, LA, 2001
- High School Valedictorian (magna cum laude), Robert E. Lee High School, Baton Rouge, LA, 2001
